Summary

An organized and straightforward student with a great passion for technology and the desire to become a website developer. Eager to apply my skills towards the betterment of myself and the company's target.

Experience

St. Raphael Children's Hospital Office Assistant

2022 – 2023

I worked together with the Receptionist in obtaining, storing and retrieving information logs of patients, both old and new. I worked hand in hand with the Pharmacy in taking and managing stocks of medications, drugs and other related medical equipments.

Education

University of New Brunswick Bachelor of Science in Computer Science

2023 – 2027

Jewels Leading Lights Academy High School

2021 – 2022
